MONTHLY NEWSLETTER AUGUST 2023

Dear Friends...

And all of a sudden it's August – or at least so it seems to me! The schools are on holiday; some of our regular activities are taking a break and many of us have been able to be away taking some time out and away from the usual routine before it all begins again in September.

Perhaps you've been travelling by car, or train, or coach, or airplane, or by foot, alone or with friends and family. It seems to me that there is something about travelling, about those we encounter on the way or about sharing with a group in travelling to a destination that can encourage laughter and conversation and sometimes the telling of stories. Like me, I'm sure many of you read the 'Canterbury Tales', when in school - imaginary pilgrims telling their stories to their fellow pilgrims.

We often share our travellers' tales with one another whether that be the trips farther away or simply something of our daily journeying and adventures. As God's people we are a pilgrim, travelling people. Together we are part of a bigger story - the story of the church but also, of course, part of the 'Big Story' - God's story - which we learn more of through Jesus and through the lives and example of those 'pilgrims' who have gone before and those with whom we journey in our time, here and now.

So, let's travel on encouraging one another with our stories of life and faith and I'm sure there'll be a few good holiday tales to hear too!

Every blessing to you,

Deacon Jackie Fowler
